

Made in Canada with virgin lead-free PVC, our panels are interlocking and designed to cover interior surfaces of walls and ceilings in all types of buildings.

AGRICULTURAL - COMMERCIAL - INDUSTRIAL - HOSPITAL - FOOD INDUSTRY - RESIDENTIAL

## THE BENEFITS

- Quick installation: light and easy to install, the panels allow you to save about 2-3 weeks of labor.
- Interlocking panels, no visible screws.
- Pre-slotted nailing flange.
- Economic vs other materials (ex: drywall).
- Clean and bright appearance.
- Minimum maintenance, washable with a pressure washer.
- Vertical or horizontal installation.
- Resistant to moisture and most chemicals.
- Large choice of lengths and trims.
- 3 choices of colors (white, grey, black).
- 20-year limited warranty.

*Save time and money on your construction site thanks to the quick installation of panels and trims!*
